6. Hall Promotion and Bookings	

<ul style="list-style-type: none"> • Hall bookings continue to be regular. • A formal request was made to the Village Hall Committee by JC on behalf of FROST for the purchase of an extra 30 chairs for the Hall. The rationale being the burdensome time and effort required in loaning and transporting chairs from West Clandon Village Hall each time there is a large FROST event in the Hall. The Committee was previously approached by FROST on this matter, but declined at the time on the basis that it didn't make economical sense for the Hall to make the purchase on behalf of a user and where it was unlikely to recover the costs. However, in the spirit of community, the Committee is willing to consider jointly procuring the chairs with FROST given that the FROST events are fund raising activities and therefore important to the village and its inhabitants. AH to discuss with the Chairman of FROST. JC to investigate the current price of chairs. 	AH / JC
